

Overview

FRESH FOOD TO GO >>

Vertical service merchandisers, mobile and compact these units are designed to provide a self service outlet for food. Internal glass shelving and LED illumination for enhanced food display and all round visibility. These units are a perfect fit for any modern designed retail grab and go food outlet, ideal for delicatessens, restaurants, universities, schools, hospitals, supermarkets and coffee shops. The hygienic free-standing mobile design made inside and out from bright polished stainless steel provides easy access for pre packed snacks and cool drinks. Incorporating a low height cold well and upper glass display shelves. The unique Moffat innovative "Polar Air Stream" system provides a constant recirculating cold air curtain completely enveloping the food displayed. Holding pre-chilled food at a safe, regulated temperature while retaining taste and freshness. Perfect for sandwiches, fruit, yogurt s and cold drinks. Self-contained units with accurate, digital control, automatic defrost, high pressure warning and automatic condensate evaporation. Utilising a highly efficient, naturally occurring, hermetically sealed, hydrocarbon gas type R290 reducing carbon footprint and energy consumption.

model: GO14C

Key Features:

- Full height LED illumination
- Double glazed sides
- Superstructure made in bright polish stainless steel throughout
- Point of sale / display ticket information strips
- Features integral energy efficient chilled R290 hydrocarbon refrigeration.
- Chilled well and four fully adjustable glass shelves.
- Digital thermostat and temperature control with automatic defrost.
- Advanced air flow design with unique polar air-stream technology.
- Fully insulated efficient, eco-friendly, refrigeration.
- Automatic condensate water evaporation [no need to empty drip]
- Mobile with all swivel castors, two with brakes
- Acrylic control guard
- 24 hour operation
- Supplied with 2m long power cord and suitable plug [230v 50Hz]
- Maintaining the core product temperature of pre-chilled food below 5°C in ambient condition not exceeding 25°C and 60% relative humidity.

model: GO14CD

Optional extras:

- Display Tray (code 139558)
- Roller Blind for 600mm wide models (add NB to the display model code)
- Impulse Basket for mobile models (add IB to the display model code)

At the heart of the Go-M system is Moffat's polar air stream system accurately controls recirculating cold air gently passing through each display zone.

Model	No of shelves	Weight (kg)	W x D x H (mm)	Total Capacity (m3)	Electrical Supply (single phase)	Total Rating (kw)
GO13C	4	103	600 x 650 x 1580	0.18	13amp with Plug	1.0
GO14C	5	130	600 x 650 x 1858	0.24	13amp with Plug	1.0
GO13CD	4	103	600 x 650 x 1580	0.18	13amp with Plug	1.0
GO14CD	5	130	600 x 650 x 1858	0.24	13amp with Plug	1.0

Models ending in D are fitted with a acrylic double glazed door

Energy Consumption (display set at 80C)

Model	Energy Consumption (hourly)	Energy EEI label
GO13C	0.43kWh	E
GO14C	0.55kWh	E
GO13CD	0.20kWh	C
GO14CD	0.32kWh	D

model: GO14

model: GO13C
