

## Overview

Vertical service merchandisers, mobile and compact these units are design to provide an outlet for food in schools. These sharp styled units are a perfect fit for school breakfast clubs and afternoon snack breaks. The hygienic free-standing mobile design is made inside and out from bright polished stainless steel. Providing easy access for cereals, pre-packed snacks and cool drinks. Incorporating robust insulated display shelves. Chilled food and drinks are stored on the unique removable and interchangeable Moffat Polar Plates, and warm snacks are held on removable Thermo pads. Perfect for morning toast, porridge, fruits, yogurt and cold drinks. Self-contained the vertical design is also ideal for social distancing when spaced two meters apart. There is a choice of two models one at 1500mm high with four shelves, and one with a work top height of 900mm which have two shelves and a handy serving area complete with a tall rear up-stand fitted with twin cereal dispensers.
