

Overview

Tray transport trolleys for storing meal components on Gastronorm or Euronorm trays. These robust trolleys are fully insulated, have a bright polished stainless steel interior and plastic coated outer panels. The standard outer panel colour is goose wing grey, with other colour choices available on request. Featuring recessed push pull handle bars on both sides and double-wing doors that can be opened 270°, doors lock via a transport "J" clip latch. The Interior is split in two for easy cleaning, with removable support ledge frames and L-shaped angles, adjustable for 20GN or 20EN standard trays in a portrait configuration. Suitable for hooking up to a delivery transport system with the optional tow bar. Additionally the chassis design allows for a specified automatic trolley transport option. Complete with corner buffers and fitted with four heavy duty castors two fixed and two all swivel with brakes.
