

## Overview

Enclosed basket dispenser / warmer, with a Pop-Up variable spring system to accommodate different weights of baskets. Lift off top basket and the next one automatically moves up level into position delivering stacked dishwash type baskets holding different formats and sizes of crockery. This compact mobile unit is perfect for Keeping crockery and plates warm and in one place. Load from the wash-up area & transfer to the point of service. Hygienic design, made of high-quality stainless steel and durable plastic coated outer panels. Four corner bumpers, protect the equipment on all sides. Ergonomically shaped push pull handles ensure optimal handling. Complete with a removable cover the dispenser runs on all-swivel 4" (100mm) casters of which two are lockable.
